
TITLE Stamford 6770
ODEX PLUS

6770 ODEX PLUS eliminates odor from smoke and many other sources such as perspiration, vomit and pets by chemically reacting with the offending odors. Although this product is especially formulated for the fire restoration expert, all cleaners will benefit from its use. **6770 ODEX PLUS** can eliminate ozone treatment in the restoration process for all but the most severely smoke damaged articles. **6770 ODEX PLUS** can be used in both perchloroethylene and hydrocarbon drycleaning systems, as well as in laundry and wetcleaning systems.

USE INSTRUCTIONS

Drycleaning

Add 1 to 2 oz. **ODEX PLUS** for each 10 pounds of articles in the load. **ODEX PLUS** can be added to the wheel of the drycleaning unit via dosing unit, injection device, by hand to the button trap, or poured between the basket and washer shell prior to loading the articles. For maximum results **ODEX PLUS** should be batched or milled in the solvent for up to 5 minutes prior to the filter run.

Laundry & Wetcleaning

ODEX PLUS can be used in the laundry in conjunction with Platinum/Titanium Detergent at a rate of 1/2 to 1 ounce for every 1 ounce of Platinum/Titanium detergent.

In a wetcleaning process, **ODEX PLUS** can be used in conjunction with Casual Care/Cotton Clean or Elegant Care/Silky Clean at a rate of 2 - 4oz. per 50 lb. washer.
