
TITLE Strike
6752

Strike 6752 is a versatile pre-spotter for use in all solvents, including Hydrocarbon, GreenEarth, K4 and blended solvents. This spotter effectively removes soil, perspiration, grease, and other difficult stains in the wheel. Can also be used as a leveling agent.

PHYSICAL CHARACTERISTICS:

APPEARANCE: Light yellow liquid

ODOR: Pleasant, sweet

FLASH POINT: >142°F, non-flammable

California VOC Compliant

RECOMMENDED USES:

Apply Strike directly to soiled area with spray bottle or spotting bottle. Dryclean garment while wet, do not flush or dry area. Tamp with a bristle brush to loosen tough stains if necessary.

Strike is safe on most colors and fabrics. Test on hidden area of garment before using on delicate fabrics or colors.
